

EXPLANATION OF COMPANY LOGOS AND TITLE BAR

There are two company logos utilized throughout the Electrical Service Requirements Book (ESRB) that determine whether the specific Service Requirements (SR) is applicable in the Tucson Electric Power (TEP) and/or the Unisource Energy Services (UES) Santa Cruz Service Territory.

An SR with both logos is standardized to apply to projects in the TEP and UES Santa Cruz Service Territories (see Figure 1). If an SR has one logo the requirement is specific to the company indicated (see Figure 2).

Any questions as to whether the requirement is applicable to the scope of work on a project should be directed to Design Services for the company providing the service.
